KISIMIRI VETA PROJECT AND REQUEST TO BUILD TWO  
DORMITORIES**

Kindly refer to the heading above.

Dear Mr Karafiat.

On behalf the Government of the United Republic of Tanzania, Specific Arumeru District, I wish to sincerely thank you for all the work you have done to enhance education in the government sector. In addition to Kisimiri School (Primary, Secondary and High), you have initiated Kisimiri Vocational School (VETA). The Tanzanian Government have decided to join hands and build nine buildings.

At the same time I would like to ask Friends of Kisimiri for support in constructing two dormitories on the campus.

Once again we are aware of your exemplary commitment for the benefit of our country.

Thank you very much.
